DEDICATION

AMY CHURCHILL

We dedicate this yearbook in memory of Amy Churchill who passed away August 21, 1971. She began her career with the Bureau of Indian Affairs on October 4, 1955 as a Dormitory Attendant. In 1959, she was promoted to Supervisory Instructional Aid in the Boy's Dormitory, a position she held until her retirement on August 10, 1971.

Mrs. Churchill contributed her best efforts in serving the Indian students. Her personal touch influenced students to do the right thing, instilled self-pride and built a desire to excell, leaving a treasure which will long be remembered by the students and fellow employees who knew her.
